## Laser and Toner Cartridges What We Accept and What We Pay

***Important Program Note:*** We are able to accept only those cartridges that bear the original manufacturer's label and do not have a recycled label on them. We cannot accept cartridges that have been previously recycled since their quality varies widely and we are typically unable to use or sell previously recycled cartridges. ***Be sure the cartridges you send have only the manufacturer's labels as listed below. If you have a question about a particular style that is not listed, please contact us first before shipping it.***
